

“QUALITY, Trust and Commitment

About us

We are headed by Mr. **HARISH SHARMA**, who has a rich experience in this industry, **"ESKOS PHARMA"** is one of the renowned and reputed PCD Pharma companies. We aim to serve society in leading a healthy life by formulating, producing, commercializing, and providing affordable and efficient medicines that satisfy medical needs. Our all products are manufactured as per the GMP's guidelines given to pharma companies in India. We examine every product at different quality parameters before supplying it to the market. Every stage of the manufacturing stage is monitored by professionals, who are experts in performing their work with full efficiency.

Mission & Vision

To introduce more and more of scientifically based molecules and to provide best possible services. Develop markets worldwide with an in-depth and long term approach, maintaining the highest ethical standards at each step. Collaborate to form new associations with key technology developers based on the talents of each other in order to build a mutually beneficially growth relationships.

Quality Control

"QUALITY IS NEVER AN ACCIDENT IT IS ALWAYS THE RESULT OF INTELLIGENT EFFORT"

All our product are from WHO & GMP certified manufacturing facility that is located in an excise free zone, and is equipped with state-of-the-art machines & the latest technologies. All machines are regularly upgraded to ensure that the range available with us is pure. Listed below are the machines & equipment we use. 'Tablet Pressing Machine, Capsule Filling Machine, Molding Machine Softgel Encapsulation Machine, Liquid Filler, Coating Machine Burners' The chemical engineers & technicians work in tandem to formulate the range as per the requisite industry standards. All processes are carried out meticulously to ensure the composition & formulation of each product is at par with national & international norms.
